CHELSEA LOOKED LIKE A SUPER TEAM

GIBSON SCHEMED—BAMBRICK SCORED

By GEORGE HARRISON

Chelsea 2, Liverpool 0.

THE best bit of news that came Liverpool's way at Chelsea last night was in a telegram to Wright, their inside left. It told him he had just become the father of a bonny boy. Apart from that, there was nothing for Liverpool to be pleased about.

I have never seen Chelsea outplay anybody so completely as they outplayed Liverpool. They were made to look the team of the century by the pitiful weakness of a side whose only really good player was their goalkeeper, Hobson.

He is a lad in his first season in League football. He played finely, stopped at least 20 on the mark shots with the easy grace of your born goalkeeper. Admitted he was helped by poor Chelsea shooting. Admitted, too, that he might have saved the goals that were scored.

PULLED LIVERPOOL OUT

Yet just the same he pulled Liverpool out time and again when it looked any odds against them. Cooper and Blenkinsop were overrun by nippy Chelsea. The indecision of their wing halves threw a load of work on them and Blenkinsop particularly could not cope with it. Tom Bradshaw, giant centre half, helped Blenkinsop out by covering or rather trying to cover Spence and Burgess as well as Bambrick.

Gibson was far and away the best attacker on the field. Both goals came originally through his craft, and Joe Bambrick celebrated his first appearance of the season by scoring both.

The first was sandwiched between two big slices of luck for Liverpool. First Gibson shot in a beauty from the penalty edge. Hobson stopped the ball, dropped it at Bambrick's feet. Joe tried to get one in on the bounce but hit it with his knee and Hobson managed to smother it on the line.

A minute later Gibson sent Oakton away. The winger's centre swerved towards goal. Hobson waited a shade too long before going out to meet it and Bambrick beat him to the jump with a ballet dancer high kick that turned the ball into the net.

INCHES WIDE

Immediately afterwards Spence beat Blenkinsop as usual and his centre left Bambrick with the ball at his toe and only Hobson in front of him. He shot in a hurry and was inches wide.

The second goal came in practically the same way as the first. Gibson put out to Oakton. The winger swung the ball into the goalmouth and Bambrick's foot touched it to the net as Hobson tried to grab it. Oakton did quite well on Chelsea left wing.

The halves seemed stronger than usual. They kept the Liverpool attack out of the game altogether. One way and another Chelsea had a real day out.

Chelsea: Woodley; O'Hare, Barber; Mitchell, Craig, Miller; Spence, Burgess, Bambrick, Gibson, Oakton.

Liverpool: Hobson; Cooper, Blenkinsop; Savage, Bradshaw, McDougall; Nieuwenhuys, Balmer, Howe, Wright, Hanson.

Referee: E. Pinckston, Warwickshire.

'Pompey' Make The Pace Too Hot For Leeds

Portsmouth 3, Leeds United 0.

PORTSMOUTH were good value for their clear-cut 3—0 victory over Leeds United at Fratton Park last night. Always the masters. They did most of the attacking and gave the Leeds defence a harassing time.

Leeds fought off raids for a period, but subsequently faded out and were kicking anywhere to get rid of the ball.

Parker and Worrall were the best of the home forwards, but the last-named missed some good scoring chances through weak finishing.

It was outside-left Parker who began the scoring after 17 minutes. Got the ball after McIlroy had dropped it in gathering a centre from the opposite flank: slammed it through. Four minutes later Groves secured the ball after G. Milburn had kicked away a header from Bagley and shot in between Milburn and the goalkeeper, both of whom were standing on the goal-line.

There was little speed behind the shot. The two defenders left it to each other, and Milburn's attempt to kick clear was too late.

ALWAYS ON THE SPOT

Gilfillan had little to do compared with McIlroy. He was well covered by Rochford, Salmond, and Smith. The first-named played a grand game, and Salmond was always on the spot when wanted.

Worrall's second-half goal was supplied by Parker. He took the ball through and put it across. All Worrall had to do was to stand still and let the ball cannon off his head into the net.

Leeds defence was not fast enough to hold the Portsmouth forwards, but Edwards played a grand defensive and constructive game. Armes was the best of the Leeds attack, only spasmodic talders, but the best use was not made of his centres. Teams:—

Portsmouth. — Gilfillan; Rochford, Smith; Nichol, Salmond, Symon; Worrall, Groves, Weddle, Bagley, Parker.

Leeds United. — McIlroy; Milburn (G. W.), Milburn (J.); Edwards, Kane, Browne; Armes, Furness, Brown, Stephenson, Hargreaves.

Referee: A. A. Horwood (Walton-on-Thames).

Torquay Spurt Shocks Luton

Torquay U. 2, Luton T. 2.

LUTON were the classier side in this hot-paced game—a fact which made Torquay's spirited come-back all the more cheer-worthy.

In the last nine minutes they wiped out a two-goal deficit and nearly shocked Luton into defeat.

Luton who never relaxed their polished style, took the lead in five minutes—a clever move led to a goal by Stephenson. Pinlayson next placed a free kick smartly and Payne netted. Torquay protested at this goal, claimed offside.

Game seemed a cinch for Luton, but Johnson turned a corner from Morgan into the Luton net. Four minutes later Philbin very neatly headed in the equaliser.

Then Luton let fly. More thrills in this last few minutes than in all the rest of game. Crowd gasped when Hutchinson drove into Dolman's arms. That might have been the winner.

Arsenal May Sign Bryn Jones Later

By STANLEY HALSEY.

HERE is the truth behind current story that Bryn Jones, Wolves' international inside forward, will soon become an Arsenal player.

Arsenal have definitely looked over and talked over Jones with a view to making an offer. "At the moment, however," Mr Allison told me yesterday, "I understand Jones is unfit to play. Naturally a club does not negotiate for an injured player."

Mr. Allison indicated that he might get in touch with Wolves again when Jones has recovered. Then things might move. But Wolves will need a lot of persuasion to let go one of their best liked and most valuable players.

★ Australian ★ Test Trial Teams

DON BRADMAN and S. J. McCabe will be the captains of the sides to play in the first Australian trial match, which is to be played at Sydney from October 9 to 13.

It is the Bardsley-Gregory testimonial match, and virtually will be the Touring Team v The Rest, though the elevens have been selected by the NSW authorities, and not by an Australian committee. Bradman leads The Rest.

The teams chosen are as follows, says Reuter:—

TOURING TEAM	THE REST.
S. J. McCABE (NSW).	D. G. BRADMAN (S Australia).
W. A. BROWN (Queensland).	C. L. BADCOCK (S Australia).
A. G. CHIPPERFIELD (NSW).	H. I. EBELING (Victoria).
L. S. DARLING (Victoria).	T. LEATHER (Victoria).
J. FINGLETON (NSW).	A. McGILVRAY (NSW).
C. V. GRIMMETT (S. Australia).	L. P. O'BRIEN (Victoria).
E. L. McCORMICK (Victoria).	R. ROBINSON (NSW).
W. OLDFIELD (NSW).	D. TALLON (Queensland).
W. O'REILLY (NSW).	F. WARD (S Australia).
V. RICHARDSON (S. Australia).	E. S. WHITE (NSW).
A. N. OTHER.	R. MORRISBY (Tasmania).

Bradman's team is practically representative of The Rest of Australia. Bradman, Ebeling, and O'Brien provide a Test match seasoning, and youngsters who may be looked upon as Test candidates are included. Among these is T. Leather, Victorian fast bowler, who did well on the Indian tour.

The attack of Bradman's team will be looked after by the right handers, Leather (fast), Ebeling (fast medium), McGilvray (medium), Ward and Robinson (slow), and White (medium-paced left hand).

McCabe's team comprises men who have all been "blooded" in England Tests, with the exception of E. L. McCormick, young Victorian fast bowler.

Birmingham Baffled But Persevered

Manchester City 1, Birmingham 1.

MANCHESTER CITY cannot congratulate themselves on the result of their game at Maine Rd, for it was in the nature of an anti-climax after their brilliant forward play in the first half.

City forwards at times ran Birmingham defenders to a standstill, yet Doherty's superb goal, scored in four minutes, was the only one they got, though they had three great chances in the opening fifteen minutes.

Brook failed from six yards in the second minute, his shot travelling across the goal and in the fifteenth minute Toseland from close range hit the side net. The crowd of 25,000, however, readily forgave these slips because the City football was so full of promise.

The scheming of the forwards in conjunction with brilliant half-backs was a sheer delight. There was just a shade of luck about Doherty's goal as two defenders stood still, apparently thinking he was offside when he got a return pass from Toseland after cutting into the penalty area, but the way he took the goal was good to see.

Doherty ran into the middle, suddenly swerved, and hanged the ball home with his left foot. Hibbs, who later accomplished two memorable one-handed saves from Brook and McCullough, had no chance.

Swift had only one save of note to make in the first half—that was from a surprise shot from Dearson which he saved at the foot of a post. Percival completed the clearance by conceding a corner.

LOST ITS BITE

The second half though evenly fought, was disappointing because the City appeared to be holding their opponents cheaply. Their attack lost its bite, and Birmingham who won admiration for their persistence and pattern play on the wings particularly, found the defence wide open for Morris, their most industrious forward to score an equaliser—a quarter of an hour from time.

City's belated thrust had no effect beyond earning them a free kick, and Birmingham got away with a well-earned point which, however, they should never have been allowed to snatch. At the same time the work of the visitors, particularly of Butler, at centre half, Devine, their right half, who had as many nomadic ideas as Brook, Morris, and Hibbs, was excellent.

Barkas, brother of the City player, who was absent through injury, did well on his reappearance in the Birmingham defence, and Toseland got little change from him.

McCullough made a promising start in the City attack on his first appearance of the season, and Marshall had a good match at centre half. The backs could not be blamed for the loss of a point, for the whole deterioration was forward.

Manchester City.—Swift; Clark, Dale; Percival, Marshall, Bray; Toseland, McCullough, Heale, Doherty, Brook.

Birmingham.—Hibbs; Trigg, Barkas; Devine, Butler, Sykes; Jennings, Dearson, Jones, Harris, Morris.

Referee: R. G. Rudd (Kenton).

Forest Out Of Luck—Pugh Hurt

Nottingham Forest 1, Southampton 1.

THRILLS and spills at Nottingham last night, where a storming finish enabled Southampton to snatch a point. Spills started in the first minute when Bob Pugh, Forest left half, damaged his left knee in a tackle. After a short absence he resumed on the wing, later returning to his usual position—but he was practically a passenger. Sheer bad luck for Forest.

Nottingham's goal scored by Martin after 55 minutes, was heralded by a heavy bombardment of the Southampton goal, where Scriven played a wonderful game. A sparkling movement between McKinlay and Bowden, a long through pass by Bowden—and Martin nipped between Roberts and Sillett to flick the ball past Scriven as the keeper advanced.

Feature of an even first half was the duel between Tommy Graham and Dunne, the Forest pivot invariably came off best.

Forest forwards blended well and, especially Martin and Peacock, simply peppered Scriven.

Southampton drew level eight minutes from the finish. Smallwood cut in at terrific pace and drove the ball past Ashton. Forest soon had the ball in the net again, but, despite hot protests from the home players, the referee ruled offside.

Nottingham Forest.—Ashton; Edgar, Wood; McKinlay, Graham, Pugh; Brown, Bowden, Martin, Peacock, Simpson.

Southampton.—Scriven; Sillett, Roberts; Whitelaw, Kennedy, Kingdon; Neal, Holt, Dunne, Boyd, Smallwood.

Referee: A. J. Jewell (London).

Swindon Come Back To Their Real Form

Swindon Town 5, Aldershot 1.

ALL Swindon's forwards shared in the rout of Aldershot. Hetherington and Storey on the left wing being particularly bright and largely responsible for the big win.

Chandler led the attack in the absence of Cookson. Fowler and Storey occupying the inside position. Aldershot had a good deal of the play but finished poorly.

Hetherington's goal in 40 minutes was the best of the match, but the forwards almost made a habit of doing clever things. The return to form was very encouraging.

Fowler, McPhail, Chandler, and Storey completed the scoring. Aldershot got a consolation goal through Temple, but by this time the game was virtually over.

Swindon.—Wildman; Duckworth, Smith; Cousins, Morrall, Wilcockson; McPhail, Fowler, Chandler, Storey, Hetherington.

Aldershot.—Wright; Wade, Shephard; Draper, Summerby, Whitworth; Walls, Thomas, Ray, Temple, Proud.

Referee: F. J. Lowe (Bristol).

SNOOKER'S POOL

At Thurston's Hall, London.—Close: S Lee (London), 18 frames; F Davis (Chesterfield), 12. Scores: Lee first, 71—49, 41—65, 30—62, 49—51, 73—39, 65—24, 31—64, 55—46, 55—62, 68—38.

NEWPORT SPOIL BRISTOL'S RECORD

Bristol Rovers 1, Newport Co. 1.

BRISTOL ROVERS lost their record last night at Eastville of being the only 100 per cent. team in the Football League. And an old colleague, Crisp, did it. He equalised in the second half and gave Newport County their first point this season.

Much of the game in the second half was spoiled by too robust play. Referee spoke to two Newport defenders.

Rovers played much the better Soccer, but were unable to get into their stride against the bustling tactics of the Newport halves and backs. Woodman and Houghton both struck the woodwork in the first 10 minutes, and it was not until just before the interval that Bruce gave Rovers the lead. It was a great goal.

SURPRISE SHOT

Early in the second half Newport, in one of their fast raids, drew level. Outside left Crisp cut in from the wing and beat Nicholls with a surprise shot.

Rovers were later on without Raven and Watson, their wing halves, for spells owing to injuries, yet they did most of the attacking, but the Newport defence held out.

Woodman, the home centre forward, watched by Arsenal representatives, found Hall a stumbling block.

Bruce was the most dangerous of the Rovers' forwards, Tidman not being so prominent. McLean, Pickering, and Preece did well in defence.

Honours in Newport's attack went to Crisp and Owen, two forceful forwards.

Bristol Rovers: Nicholls; Pickering, Preece; Raven, McLean, Watson; Bruce, Mills, Woodman, Houghton, Tidman.

Newport (County): F. J. Marsh; Williams, Vickers; Edwards, Hall, Webb; Pritchard, Lowry, Owen, Clarke, Crisp.

Referee: B. Ames (Birmingham).

Reading Attackers Were Too Finicky

Reading 1, Exeter City 0.

READING disappointed their supporters by their finicky methods and inability to score more than once. Their forwards dallied so long near goal that Chesters in goal was never at a disadvantage.

He was too good to be beaten by the sort of shots which Reading put in. Second half was a repetition of the first, though Chesters had considerably more to do.

Exeter backs covered up so well that in the end Reading not only became erratic in their shooting but also wild in their passing. Just as the home supporters were despairing of a goal Reading broke through and, though Chesters first held Tait's shot, he had no chance with the one from Watkin.

Reading attacked for 80 per cent of the game, but their shooting was often appalling.

Reading: Whittaker; Gregory, Robson; Robertson, Hayhurst, Wright; Watkin, McGough, Tait, Paterson, Fielding.

Exeter City: Chesters; Boyle, Stimpson; Clarke, Hobbs, Shadwell; Thompson, Scott, Williams, McGill, Urmson.

Referee: G. V. Searle.

Southend Forwards Worry Northampton

Southend United 2, Northampton 0.

A BREEZY game, this. Both sides worked well, and both goalkeepers were kept on the jump. During the first half, when Southend, through Dickenson, scored twice, Northampton backs, Mackie and Little, combined cleverly to keep down the tally. They were opposed by an unusually lively set of forwards. Lane was the nippiest of them all.

Thayne's close watch on Goddard was an important factor all through, but occasionally, when the home leader broke away, he gave Gormlie some awkward shots.

Southend's first success came after a quarter of an hour. Dickenson scored with the help of Deacon and Goddard. Lane gave Dickenson the opportunity to net again with a fine rising shot just before half-time. Then Northampton came along with good efforts from Riley and Tolland. Towards the close Southend had the game well in hand. Teams:—

Southend United.—McKenzie; Nelson, Everest; Deacon, Turner, Carr; Bolan, Lane, Goddard, Dickenson, Oswald.

Northampton Town.—Gormlie; Mackie, Little; Riches, Thayne, Simpson; Rawlings, Tolland, Cook, Riley, Turner.

Referee: C. P. West (Brighton).

A SUPER PRODUCTION

By The Film Critic

ANYONE who wants a lively evening at his local house should book seats immediately wherever 'Schweppes' is 'on.' This is one of those sparkling British productions which are always good for revival—either by itself or as a 'short' with other features. Bubbling with cheerfulness. Not a flat moment. And, mind you, clean from start to finish—leaving a pleasant taste in the mouth. Now generally released (U).
